SARA House is one of the few agencies in Colorado that provides sexual assault services for victims of all ages. Our services include victim advocacy, forensic interviewing of children, forensic experiential trauma interviewing of adults, forensic medical examinations, wellness examinations for children, and strangulation assessments. As a non-profit, we rely on grant funding, donations, and fundraising to continue providing these crucial services to the community. Your support helps us make a difference in the lives of survivors and their families, ensuring they receive the care and resources they need to heal and move forward.
